Evaluation 2015/16

Children at Lordswood have had opportunities to excel in sporting provision. The outcome of these interventions indicate our pupils are becoming more involved and engaged in sporting activities and become more skilled, as evidenced by high placing at inter-school events within the local community. Sporting achievements are celebrated through assemblies, displays and whole school events. Regular newsletters report on sporting activities. Our highly successful sports days are well attended by parents and every child took part. Sports and PE lessons are of a very high quality and pupils are actively involved. We have been rewarded numerous times for our sporting achievements.
