12th September 2017

Dear Parents/Carers

As part of our Year 3 History topic 'The Romans' we have managed to secure a Medieval Days Living History workshop for the children to participate in on Thursday, 28th September 2017. There will be a charge of £5.00 for this experience.

A vast selection of Roman resources will be available for the children to handle and examine at length. Children will have the chance to see Roman armour, swords, weapons, costumes and leather works. They will also have the opportunity to use a wax table, a scribe and strike a Roman coin, using authentically made dies, to take away with them.

An artwork competition will be organised with the children making rubbings from old carvings and a prize or two awarded.

The children may dress up as a Roman for the day to enhance their experience. There will be some food tasting during the workshop so please do let us know if your child has any food allergies.

Please note the school is unable to accept cash or cheque payments for this activity. Payment should be made via School Money by Monday, 25th September 2017, if you are unable to access your school money account the school office can process payments using your debit or credit card, alternatively cash payments can be made using the local Paypoint (voucher available from school office). A contribution from all children is requested though no child will be excluded from this activity.

We are looking forward to an exciting Roman day.

With thanks
Year 3 Team
