

Lordswood School Olympics 2019

On Tuesday 21st, Wednesday 22nd, Friday 24th May, and during term 6, the children of Lordswood School will be raising money for our very own Lordswood School mini bus, as well as Challenge 26. In 2016 we managed to raise a school record of over £2000, in 2018 we raised £4000 and this year we are aiming even BIGGER!

Not only will we be having the Lordswood Fun Run during term 6, we are asking the question of you... ***can you beat your child?***

Yes that's right, we are giving you the opportunity to come and challenge yourself against your child to see who comes out on top!

You will have the chance to participate in 15 different Lordswood Olympic events against your child. How many you choose is up to you!

The Timings....

Tuesday 21st May – 2 - 3pm – Years 1 and 2 on the KS2 playground.

Wednesday 22nd May – 2 - 3pm – Years 3 and 4 on the KS2 playground.

Friday 24th May – 2 - 3pm – Years 5 and 6 on the KS2 playground.

To participate in these activities you need to buy tickets and these will be available to purchase on arrival on the day. Tickets cost 50p per event with the option of 5 tickets for £2 per family. All 15 events for £5.

It's your chance to compete in the Lordswood Olympics

Children can be taken home when the event finishes at 3pm.

Sponsored Challenge 26 Term 6 (Date to be confirmed)

Soon, your child will bring home a sponsorship form and we would like them to have as many sponsors as they can to raise as much money as possible. Prizes will be awarded for the children who raise the most. Your child has the **option** to dress up as a sporting person (footballer, basketball player, dancer) or as their sporting hero as they run, cycle or row 26 miles.

Refreshments will also be on sale.
