British Values

The DfE has recently reinforced the need “to create and enforce a clear and rigorous expectation on all schools to promote the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.”

The government set out its definition of British values in the 2011 Prevent Strategy, and these values have been reiterated by the Prime Minister. At Lordswood School, these values are reinforced regularly through the curriculum and assemblies. Our teaching and learning goals are underpinned by our own School Values.

Throughout the school, British Values are promoted in a wide variety of ways. Below are just some aspects of school life that enable children to understand these fundamentals as they move on through their time at school.

Value	How We Promote It
Democracy Links to school values: Respect Tolerance Understanding Responsibility Integrity Accountability UN CRC Article 12: Children have the right to say what they think should happen, when adults are making decisions that affect them, and to have their opinions taken into account.	<ul style="list-style-type: none"> We have 4 elected Ministries within our Pupil Parliament. We encourage children to take responsibility for their school community by being implicit in decisions about resources the environment and their learning. We fully advocate children as leaders. Democracy is also promoted through additional PSHE lessons and assemblies (“Being Me in My World” unit). Children are taught about the United Nations Convention on the Rights of the Child and learn to respect their rights and the rights of others.

The children's work on this subject or whole school learning in assemblies is often displayed in the classrooms or around the school. Significant religious festivals such as Ramadan and Diwali are also celebrated within school. Visits are made by local religious leaders and children have the opportunity to visit places of worship. Children are taught about the United Nations Convention on the Rights of the Child and learn to respect their rights and the rights of others. We provide extra support for children who are taking part in religious practices e.g. fasting
