

Lordswood School

Challenge 26

Welcome to Challenge 26 at Lordswood School. This year our aim is to raise as much money as possible for the charity 'Sported UK'. All monies raised will be split between the charity and sporting equipment for the school. As is tradition, children complete an activity related to the number 26, which originally started because various GST staff members were running the London Marathon (some of which run each year) and this year one of our own parents, Carley Ede, has successfully taken on the challenge.

This year we wish to invite children and their families (yes you as well!) to wear fancy dress on Friday 19th May and complete a 26-minute fun run. How many laps will you be able to do? Will you outrun your child or will your child get the glory?
