Head's comment

It has been fantastic having the children return to school. They have arrived smart, smiling and ready to learn. The school environment is looking lovely. Building works over the summer have included new toilets for years 3-6.

Parents are now welcome back on site at the start and end of the day. Due to a prompt start at 8.45am please ensure if you wish to speak to the class teacher to wait until the end of the day. Urgent matters can be shared with the office and passed to key staff.

Reminder home learning and prep for learning tasks are accessed via 'Google Classroom'. Please contact the school office if your child needs to borrow a laptop to support with this.

This term sees a busy schedule of activities and the reintroduction of our open afternoon for parents at the end of term. We have also schedule our Lordswood Olympics and planned a 'Meet the Teacher' session at the expectation afternoon on the 22nd September.

I look forward to welcoming you into school.

I would like to welcome Miss Lamming who is due to join as a TA in year 3 this term. We also welcome Mrs Wong who is completing her teacher training with us in year 4, and of course I am delighted to have all our volunteers back supporting children in school.

School Wide Positive Behaviour System

The school received its certificate for successfully implementing tier 1. This term, to enable pupils to take ownership of the approach, children will be trained and supported as ambassadors to teach and undertake restorative conversations to resolve minor issues.

Remember your water bottle each day
