Head's comment

Happy New Year

I hope you all had a great Christmas celebrating with your loved ones.

Reducing our large assemblies and gatherings on site was essential during Term 2, following a large number of staff and children from different year groups contracting Covid. The staff ensured children still enjoyed and participated in all our planned activities and although it is a difficult task for staff to produce recordings of the performances, I hope you enjoyed the finished shows.

We will continue to follow the Government guidelines during term 3 and aim to keep the children in school and learning.

New booster sessions have been scheduled for this term—please support the school in allowing your child to attend, if they have been invited.

I would like to welcome 3 new staff this term - J Kyle who is taking over the TA role in Beech class and S Young who will be part-time supporting in year 2.

K Wells will be joining to support in Year R and take over the TA role in Ash class, as we are sad to be saying farewell to Mrs Deamer who is relocating at the end of term. We thank her for all the support she has given the children here and wish her well in her new home.

I hope the parking continues to improve outside the school entrances and our community are kept safe.

A huge thank you to two parents who came in and delivered an insight into police work and first aid to our y6 children as part of celebrating Heroes day.
