**LORDSWOOD  
SCHOOL**

16<sup>th</sup> November 2022

Dear Lordswood Families

### **Top Tables Number Day**

On Friday 25<sup>th</sup> November 2022 we shall be celebrating our 50<sup>th</sup> day at school.

The Learning Ministry have planned a range of activities for this day. The children may wear a top with a number / shape or pattern (this does not need to be pre-printed – it can be written numbers, or numbers pinned onto a top etc). There will be a Top Tables competition in the afternoon, all children are encouraged to keep practising their tables for this event. This is not a fundraising event.

There will also be Prep for Learning about numbers around the home.

As part of the activities, the Learning Ministry have suggested that the children take photographs, write or draw items around the home that have numbers on them and bring them in for Number Day.

Weather permitting, there will be outdoor active maths activities. If your child is due to have PE on this day they should wear clothing and footwear suitable for PE activities.

We look forward to a fun day with plenty of number activities.

Yours sincerely

U Casely-Hayford  
Primary Lead
