LORDSWOOD
SCHOOL

3rd February 2023

Dear Lordswood Families

It was so amazing to see a packed hall last year for our first Top Tips and Open Afternoon.

We are looking forward to seeing you again next **Wednesday 8th February** for our next event. The purpose is to build stronger links between home and school to encourage your children to thrive in all aspects of their life.

At our **'Top Tips for Parents and Carers'** once again 3 aspects of school life will be featured: Our very own LSA (Parent School Association), a whole host of help with encouraging your child to learn their Times Tables and 'What on earth is Metacognition?' This will take place in the hall from 1.45-2.15pm. Following this, you are invited to join your child in their class for an **Open Afternoon**.

The schedule for the afternoon is:

- 1.45-2.15pm** Entry via the hall doors at 1.40pm for a prompt 1.45pm start. Enjoy a cup of coffee and refreshments whilst listening to 3 very short but useful presentations. (The LSA, Times Tables support, Metacognition).
- 2.15-2.45pm** Visit your child in class. A chance to see them at work and see a variety of learning styles. Share in their work. A chance to chat with the class teacher.

We realise that many of you have children in various year groups, so you may like to move to another class when you are ready to see them at work also. There will be a further Open Afternoon in Term 5 year so there will be plenty of opportunity to share with each of your children. As always, we will have Year 6 Ambassadors on duty to help and assist you in making your way to various classrooms.

As a school we are always looking for opportunities where teachers and parents can work together and this is one of those ways. We know from your feedback how much you all look forward to sharing in this way and so we are looking forward to seeing you on Wednesday 8th February at 1.45pm.

Yours sincerely

Kate Boughton
Assistant Head
